

# Grayson College Course Catalog

## Overview - Nursing University Transfer

The Nursing University Transfer Degree is an Associate of Science Degree that will allow students to focus on academic courses in preparation for transfer into a professional nursing program. The academic courses selected for this degree plan will allow a student to obtain the necessary pre-requisites for the Associate Degree Nursing Program at Grayson College and meet the Texas Common Core requirements for transfer to a university.

The Associate Degree Nursing Program at Grayson College has articulation agreements with universities for transfer into a RN to BSN program. Please speak with an academic advisor for specific course requirements or partnering universities when selecting electives.

## University Transfer AS Degree Requirements

### RNSG 1413 - Foundations for Nursing Practice – LVN to RN Transitional Entry

Introduction to the role of the professional nurse as provider of patient-centered care, patient safety advocate, member of health care team, and member of the profession. Content includes fundamental concepts of nursing practice, history of professional nursing, and a systematic framework for decision-making and critical thinking. Application of concepts related to nursing care of patients across the life span including common childhood/adolescent diseases, uncomplicated perinatal care, mental health concepts, perioperative care, frequently occurring adult health problems and health issues related to aging. Emphasis on knowledge, judgment, skills, and professional values within a legal/ethical framework.

**Grade Basis:** L

**Credit hours:** 4.0

**Lecture hours:** 3.0

**Lab hours:** 2.0

**Restrictions:**

- RNSG 1413 must be taken concurrently with RNSG 1227.
  - After satisfactory completion of this course and RNSG 1227, the LVN / LPN will enter Nursing 3.
  - A grade of "C" or better is required before credit award is given and student proceeds on to Nursing 3.
  - Must be taken in sequence as listed in degree plan.
  - Must be a LVN/LPN to be able to enroll in this course.
-
